State Office Building Reopens for Business

NASHVILLE – The Tennessee Department of Labor & Workforce Development will resume business as usual in the State Office Building located at 416 East Lafayette Street, Jackson, beginning Monday, May 19, 2003.

The building, which houses several divisions of the Department of Labor & Workforce Development including unemployment insurance, was damaged during the recent rash of tornadoes that swept through West Tennessee.

“We appreciate the use of the Tennessee Technology Center during the past week, especially to take disaster-related claims,” said TDLWD Commissioner James Neeley.

Individuals wishing to file an unemployment claim should now report to the Lafayette Street location. For additional questions or information, please call (731) 423-5860.
